Hi Bonnie,

Let's just make sure we are not charged for any spots that ran after the election day, and we should be good.

Thanks,

Dan,

We just completed an audit and discovered we had some spots running for this client past the election on Tuesday August 2. We had an order entry error that defaulted to an end date of 8/7/16. I have attached a report showing all spots in all zones on a report and then subsequent reports breaking it out by system that aired 8/3-8/7/16.

### Zones affected:

2488 – DTV

3316 – MANHATTAN/TOPEKA DMA

4651 – HUTCHINSON/WICHITA DMA

3651 – SALINA/WICHITA DMA

2764 – DODGE CITY/WICHITA DMA

Please advise on next steps you need from me for your client.
